DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 6/29/2008 has been entered.

Acknowledgments

2. This office action is in response to the reply filed on 6/29/2008.
3. In the reply, the Applicant amended claims 1 and 5.
4. Thus, claims 1-8 are pending for examination

EXAMINER'S AMENDMENT

5. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

The Title has been replaced with:

"Apparatus for Treatment of Macular Degeneration"

ALLOWANCE

Art Unit: 3767

6. Claims 1-8 are allowed.
7. The following is an examiner's statement of reasons for allowance:
8. The subject matter of the independent claim could either not be found or was not suggested in the prior art of record. The prior art does not disclose or render obvious the combination as claimed specifically including an elongate probe having a linear portion and a portion that conforms to the curvature of the eye for insertion between the eye socket and the sclera and a needle movably disposed within the elongate probe, wherein movement of the needle from an inactive to operative position causes the needle tip to deform and to pierce the sclera to a predetermined depth but not to pierce the retina and allow fluid delivery in combination with the other elements of the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to ANDREW M. GILBERT whose telephone number is (571)272-7216. The examiner can normally be reached on 8:30 am to 5:00 pm Monday through Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Kevin Simons can be reached on (571)272-4965. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
